

**Rosie Roff**

**Classical Ballet, Contemporary Dancer**

## Personal Statement

I am a highly dedicated and hard-working individual with a strong passion for continuous growth and learning. I am always eager to take on new challenges and explore different opportunities. As a versatile dancer, I am able to adapt quickly to various styles and choreography, bringing precision, expression, and individuality to every performance.

I approach each role with enthusiasm and commitment, always wanting to give my absolute best. My favourite part of dancing is the opportunity to fully immerse myself into each piece with my own spark and personality. My determination and strong work ethic drives me to constantly push my limits, refine my technique, and develop not only as a dancer but also as an artist and individual.
